### About the State

That Vermont is becoming better known as an ideal summer resort shown by the fact that the Appalachian Mountain club of Boston will enjoy one of its outings this summer on Mount Mansfield and Camel's Hump. A party of about 40 or 50 members will go to Mansfield June 30th.

The house of E. M. Bixley in Poultney was badly gutted by fire and water Monday. The fire started in the attic from a defective chimney and had gained some headway when discovered, and, owing to a high wind, fore the flames were extinguished. The loss is placed at about \$800. whole interior of the house will have to be thoroughly renovated.

Mrs. Hannah Spaulding, aged 93 years, and for many years the oldest person in East Bethel, died Sunday evening of old age, at the home of her son, George B. Spaulding. Mrs. son, George B. Spaulding's husband, Reuben Spaulding. was a veteran of the civil war and died twelve years ago. Mrs. Spauldng was the mother of 12 children, of whom three sons went to the Civil war and died during the war. There are seven surviving children, 18 grandchildren, nine great-grandchildren, and one great-great-grandchild. She is also survived by a sister, Mrs. Betsey Stebsins, of Plymouth, N. H.

Charles Grandfield fell and injured one hip so that he was carried to his home. The loss on the lumber is \$3,000 and there is no insurance. Mr. Grandfield owned some of the lumber and this is the second loss he has suffered by fire in the mill yard, the other time being in 1906 and the loss \$1,000.

Rev. E. F. Felton, who has been ac tive in the farming business in Bethel for seven years, was given an appointment at the recent session of the northern New York conference and expects to move at once to Galilee, N. near Ogdensburg, which was his first charge, 23 years ago, and where served five years, at that time limit in the Methodist ministry. He was a leader in the large colony northern New York farmers in this part of Vermont, and many of them have invested in lands in Bethel through recommendation. His change to the ountry was on account of his health, which is now restored.

RETATE OF SARAH J. GOSE.

STATE OF VERMONT, ... The Honorable District of Washington, ss. Probate Court for the District aforesaid: To the neirs and all persons interested in the estate of Sarah J. Goss, late of the City of Barre in said District, deceased, Greeting:

Whereas, application hath been made to this Court in writing, by the Executor, Frank B. Cate, praying for license and authority to sell all of the real estate of said deceased, to wit: Strated in the City of H-re, in the County of Washington and State of Vermont, representing to said Court that it would be beneficial to the heirs and all persons interested in the estate of said deceased, to sell said real estate and convert the same into money.

And bringing into Court the consens and approbation in writing, of all the heirs to said estate residing in this State, and setting forth the situation of the real estate.

Whereupon, the said Court appointed and assigned the 1st day of May, A. D. 1911, at the Fronze Office in Montpeller in said District, to hear and decide upon said application and petition, and ordered purelle neites thereof to be given to all persons interested therein, by publishing said order, together with the time and place of hearing, three weeks successively in the Batre Daily Times, a newspaper which circulates in the neighborhood of those persons interested in said estate, all of which publications shall be previous to the day assigned for hearing.

Therefore, you are hereby notified to appear All growers should at once select their seed for spring planting, and test it to see if it will grow, says John H. Dunlap of Williamsport, O, in the New York Tribune Farmers. This an easily be done by selecting a few grains from each of a number of ears. Put these on a damp blotter on a dinner plate and place another plate over this, these where it is warm and notice if the grain sprout quickly and seem to have good vitality. If you are not entirely satisfied with the result it will pay you to look around and get your seed before other people are looking for seed. From all reports there will be a scarcity of good seed corn this spring. Much of the corn was inured by freezing, and a great many of he farmers did not get their corn husked until after the snow and ice had frozen on the husk of the ears. It a serious matter to plant anything but the best seed.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh (use is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one Hundred Dollars for any case that it fails to cure.
